Direct costs are work related costs.

Indirect or annual allocation costs are non-work related but contract related. Examples: % towards leasing costs, electricity, phones, computers, etc.

Thanks Sharon,

DO you know what the difference is between "direct amount" and "annual allocation"?

Thanks,
Rob

They downloaded SCORPIOS for me this morning.

This is just an estimate. These numbers may not be accurate. We would need to run a reconciled report to get an accurate number.

These reports are often very close though.

Please do not release this report. You can site the amount as an "estimate" but we are not allowed to release the actual report.
